## Jump Rope and Hoops for Heart

Students in grades 1-8 will be participating in the American Heart Association's Jump Rope and Hoops for Heart event on Feb. 13 & 14. This is meant to be a fundraiser, but students are not required to raise money. The funding is used for the prevention, education, and treatment of cardiovascular disease and stroke, which are the #1 and #3 killers in America. Last year our school raised \$2308. Our goal this year is \$2400 (approximately \$23/student). Any student who raises at least \$5.00 will receive a "Scare Squad" Ninja Power Jax character PLUS a monster clasp to clip to their backpack. Just complete, tear off and return the coupon on the collection envelope coming home on Tuesday January 23rd. Collection envelopes will include permission slips and instructions for online fundraising (a FREE Scare Squad glow wristband will be issued just for registering online & a "Scare Squad" glow in the dark Charger character will be issued upon their first online donation). Permission slips should be returned before the event date, & all collection envelopes & contributions are to be returned to Mrs. Haslam by Feb. 13 or 14.

## Lunch Bills?

Please remember to send in payments for your child's lunch bills each week. You can also pay at [myschoolbucks.com](http://myschoolbucks.com), which can be easily accessed through our school website!

### **UPCOMING MEETINGS**

**MONDAY, FEBRUARY 5TH @ 5:30**

### **6th - 8th Grade Fitness Unit**

All 6th -8th grade students have a fitness packet that includes a fitness log & sample, a Physical Activity Plan, information on cardiovascular endurance, muscular strength and endurance and flexibility, other options for engaging in exercise, & a rubric that explains how their fitness log will be graded.

Their assignment is to keep track of their physical activity on the fitness log & turn in their parent initialed log sheet each P.E. class throughout January & February. They have been challenged to create a Physical Activity Plan to help them improve on the FITNESSGRAM fitness assessment after the February break. Please ask your child to show the packet to you & encourage their participation. Better yet, participate with your child and challenge each other to improve your fitness levels! Check out the Physical Education page of the LCS website located under the Academics tab for cool workout plans for the whole family! Any questions may be directed to Mrs. Haslam at [phaslam@lamoineconsolidated.org](mailto:phaslam@lamoineconsolidated.org)
